O NAS

Profil został założony w 1984 roku w miejscowości Krasne Potockie na południu Polski, gdzie do dziś znajduje się nasza fabryka. Działamy głównie na rynkach europejskich – nasze produkty cieszą się dużą popularnością nie tylko w Polsce, ale również w Niemczech, Ukrainie, Litwie czy krajach bałkańskich. Jako rodzinna firma stawiamy nacisk na kontakt i obsługę klienta, aby ułatwić proces składania zamówień w 2021 roku uruchomiliśmy platformę sprzedażową b2b dostępną dla dystrybutorów. Naszym klientom proponujemy wyjątkowo korzystne warunki gwarancji – aż do 3 lat!

Nasza firma specjalizuje się w produkcji samochodowych opon bieżnikowanych. W ofercie znajdują państwo opony osobowe, 4x4, dostawcze oraz ciężarowe. Produkujemy wyłącznie metodą na gorąco, korzystając z maszyn oraz form wulkanizacyjnych od uznanych producentów, głównie z Włoch i Czech. Dostawcy z krajów europy zachodniej zaopatrują nas w wyselekcjonowany karkas marek premium. Posiadamy wymagane homologacje oraz certyfikacje naszych produktów.

Efektem naszych działań są ekologiczne i jakościowe opony w budżetowej cenie!

ABOUT US

Profil was founded in 1984 in Krasne Potockie in the southern of Poland, where our factory is located to this day. We operate mainly on European markets – our products are popular not only in Poland, but also in Germany, Ukraine, Lithuania and the Balkan countries. As a family company, we focus on contact and customer service. To facilitate the ordering process in 2021, we launched a b2b sales platform available to distributors. We offer our clients exceptionally favorable warranty conditions – up to 3 years!

Our company specializes in the production of automotive retreaded tires. The offer includes passenger, 4x4, delivery and truck tires. We produce only by the hot method, using machines and vulcanization molds from recognized producers, mainly from Italy and the Czech Republic. Suppliers from Western Europe provide us with a selected casings of premium brands. We have the required homologations and certification of our products.

The result of our actions are ecological and quality tires at a budget price!
